Language Development, Diagnosis and Assessment in School Ages (6-16)

27 September - 1 October 2021, Leiden, the Netherlands

Topics

• Language Needs: Introduction and Context
• Charting Language Development during the School Years
• Language Assessment and Academic Performance
• Language Intervention and Support
• Taking Stock and Ways Forward

Scientific Organizers

• Maria Arche, University of Greenwich
• Angeliek van Hout, University of Groningen
• Karen Bryan, York St John University
• Ellen Gerrits, HU University of Applied Sciences Utrecht

The Lorentz Center organizes international workshops for researchers in all scientific disciplines. Its aim is to create an atmosphere that fosters collaborative work, discussions and interactions.

For registration see: www.lorentzcenter.nl

This workshop is part of the NIAS-Lorentz Program, which brings together perspectives from humanities & social sciences with natural & technological sciences.

Interdisciplinary insights in knowledge we need to forward support for children with language disorders.
