The Audible Universe

30 August - 3 September 2021, Leiden, the Netherlands

Scientific Organizers

- Anita Zanella, Istituto Nazionale di Astrofisica
- Chris Harrison, Newcastle University
- Nicolas Misdariis, STMS IrCam-CNRS-SU
- Nic Bonne, University of Portsmouth
- Kate Meredith, GLAS Education

Topics

- Current Sonifications of Astronomical Data
- Design of Scientifically-Driven Sonification Experiments
- Evaluation of Sonification Efficacy
- Dissemination and Standardization

The Lorentz Center organizes international workshops for researchers in all scientific disciplines. Its aim is to create an atmosphere that fosters collaborative work, discussions and interactions. For registration see www.lorentzcenter.nl

This workshop is part of the NIAS-Lorentz Program, which brings together perspectives from humanities & social sciences with natural & technological sciences.
