- Don van Ravenzwaaij, University of Groningen

Topics

Errors and Reforms in:

- Methodology
- Statistics
- Publishing System
- Scientific Institutions

The Lorentz Center organizes international workshops for researchers in all scientific disciplines. Its aim is to create an atmosphere that fosters collaborative work, discussions and interactions. For registration see: www.lorentzcenter.nl

This workshop is part of the NIAS-Lorentz Program, which brings together perspectives from humanities & social sciences with natural & technological sciences.
