

# Workshop Program

## *Green Conservation Materials for European Heritage*

Monday 22 Nov

### **"Green conservation, the way forward"**

14:00 - 14:15 Welcome by Staff Lorentz Center

Moderators: *Dr. A. Artesani, Dr. L. Bertrand, Dr. G. Franceschin, Prof. K. Keune, Dr. A. Traviglia*

14:15 – 14:30 Welcome by organizers. Presentation of the program of the week

14:30 - 15:00 Meet the participants

Moderator: *Dr. Arianna Traviglia*

15:00 - 15:30 Keynote and Questions: Prof. Austin Nevin, The Courtauld Institute of Art, London, UK: "Most recent and natural practices used for the conservation" [20 min]

15:30 - 16:00 Keynote and Questions: Dr. Caitlin Southwick, Ki Culture, Amsterdam, The Netherlands: "Sustainable practices for leveraging cultural heritage to effectively make industry wide impact" [20 min]

16:00 - 16:15 Break

16:15 - 17:00 Topical group discussion: *"What is green conservation? How to Reinvent Heritage Conservation and Integrate Green Thinking in the Every-Day Practices"*

Tuesday 23 Nov

### **"Bio based methods and green restoration"**

Moderator: *Dr. Alessia Artesani*

14:00 - 14:15 Opening: Reporting back Day 1 and Overview Day 2

14:15 - 14:45 Keynote and Questions: Dr. Mathilde Monachon, University of Neuchâtel, Neuchâtel, Switzerland "Application of bio-based methods for green conservation" [20 min]

14:45 - 15:15 Keynote and Questions: Prof. Silvia Prati, Chemical Department, University of Bologna: "Identification of novel chemical procedures for green restoration" [20 min]

15:15 - 15:30 Break

15:30 - 16:00 Keynote and Questions: Dr. Joen Hermans, Faculty of Science, Van 't Hoff Institute for Molecular Sciences: "How can chemistry provide effective protective strategies against environmental conditions" [20 min]

16:00 -17:00 Topical group discussion: *"What are the chemical challenges? How to Create Green Practices and Introduce Innovative Treatments"*

Wednesday 24 Nov

## "Developing green strategies to protect cultural heritage materials"

Moderator: Dr. Giulia Franceschin

- 14:00 - 14:15 Opening: Reporting back Day 2 and Overview Day 3
- 14:15 - 14:45 Keynote and Questions: Dr. David Thickett, English Heritage: "Green Preventive Conservation" [20 min]
- 14:45 - 15:00 Keynote and Questions: Dr. Brique Sibbing, Rijksmuseum, Amsterdam: "Sustainability in the Rijksmuseum" [20 min]
- 15:00 - 15:15 Keynote and Questions: Prof. Eleanor Schofield (Mary Rose Trust): "Reducing the environmental footprint of museums in practice." [20 min]
- 15:15 - 15:30 Break
- 15:30 - 16:30 Topical group discussion: *"How Does Green Approach Enter in Museums? The importance of Implementing Preventive Conservation"*
- 16:30 - 17:00 In conversation with Prof. Annelou van Gijn, (Faculty of Archaeology, Material Culture Studies of the University of Leiden): "Approaches towards material culture and material heritage."

Thursday 25 Nov

## "Advanced technologies for green conservation in cultural heritage"

Moderator: Prof. Katrien Keune

- 14:00 - 14:15 Opening: Reporting back Day 3 and Overview Day 4.
- 14:15 - 15:00 Keynote and Questions: Dr. Victor Gonzalez, PPSM, ENS Paris-Saclay, CNRS, France: "Spectral and structural imaging as a way to characterize art works and conservation treatments" [20 min]
- 15:00 - 15:15 Break
- 15:15 - 16:15 Topical group discussion: *"How to Assess Green Conservation Treatments? Into the Digital Technology Transition and Adoption of Advanced Methods."*
- 16:15 - 17:00 In conversation with Prof. Maartje Stols-Witlox, Faculty of Humanities, University of Amsterdam: "Green conservation from a teaching perspective"

Friday 26 Nov

## **“Dissemination implications and finalization of the manifesto”**

Moderator: Dr. Loïc Bertrand

10:00–10:15      Opening: Reporting back Day 4 and Overview Day 5.

10:15–11:00      Topical group discussion: *“Green Conservation Manifesto.  
Ten Points for the Green Deal in Heritage Conservation.”*

11:00-11:15      Break

Moderators: Dr. A. Artesani, Dr. L. Bertrand, Dr. G. Franceschin, Prof. K. Keune, Dr. A. Traviglia

11:15-11:45      Take-Home Messages and Future Agenda

11:45-12:00      Farewell
