

Declaration of Consent regarding recording, processing, saving and distributing recordings of the online Lorentz Center workshop 'Post-Quantum Cryptography for Embedded Systems 2022'

This consent form involves providing your consent to recording (video and sound material, hereafter referred to as: "the material") of tutorials and presentations of invited speakers of the online/hybrid Lorentz Center workshop "**Post-Quantum Cryptography for Embedded Systems 2022**". This statement clarifies which personal information will be collected during the processing of the material, how your personal information is used and the rights you have.

We are planning to record presentations of invited speakers and tutorials as well as full-plenum sessions to make them available to online-participants in different time-zones. You may appear recognizable in the recording (either by being physically present or when participating online, e.g., when asking questions or by just being in the frame), which is why the material could be qualified as personal information. The material is recorded, processed, saved, distributed and shown only to enable all participants to participate in the program of the workshop and it will be deleted after the workshop.

Leiden University will take appropriate technical and organizational measures to protect your personal information towards loss or any other form of illegal processing. The material is recorded on MS Teams, an online platform administered by Leiden University. The material is distributed on Research Drive and will be accessible for participants of the workshop only.

The scientific organizers Andreas Hülsing, Tanja Lange, Ruben Niederhagen, Simona Samardjiska, and Marc Stöttinger will be responsible for saving and distributing the recordings. The material will only be saved for as long as it serves its purpose during the workshop and will be destroyed afterwards.

You have right to contact us via info@lorentzcenter.nl to request insight into the recording you cooperated in and/or your declaration of consent. You have right to limit the declaration of consent and/or to withdrawal. We will handle your request following the 'General Data Protection Regulation' (GDPR). You have right to file a complaint at the Data Protection Officer of Leiden University (privacy@bb.leidenuniv.nl) and/or at the Authority Personal Data.

Hereby I declare that the Lorentz Center provided sufficient information regarding the recording and I have read the available information thoroughly. I am aware that my participation in this recording is voluntary. I know that I have right to decide at any moment to withdrawal my participation or to cancel my participation. I do not have to provide a reason for my decision.

I agree to the recording and provide Andreas Hülsing, Tanja Lange, Ruben Niederhagen, Simona Samardjiska, and Marc Stöttinger, the Lorentz Center and Leiden University the right to save this material, to process, distribute and show the material as explained in the procedure above.
