

Declaration of Consent regarding recording, processing, saving and distributing pre-recordings of the online Lorentz Center workshop Dynamics of Infectious Disease Spread and Health-related Behaviours

This consent form involves providing your consent to recording (video and sound material, hereafter referred to as: "the material") of your presentations for the online Lorentz Center workshop. This statement clarifies which personal information will be collected during the processing of the material, how your personal information is used and the rights you have.

You will appear recognizable in the recording, which is why the material could be qualified as personal information. The material is recorded, processed, saved, distributed and shown for the following objectives: allowing participants in different continents to contribute to the workshop. If you agree with recording of your presentation(s) but do not wish to be visible, you have the right to close your camera.

Leiden University will take appropriate technical and organizational measures to protect your personal information towards loss or any other form of illegal processing. You record your own presentation. The material is distributed on Research Drive and will be accessible for participants of the workshop only.

The scientific organizers Luc Coffeng, Rick Quax and Tessa Blanken will be responsible for saving and distributing the recordings. The material will only be saved for as long as it serves its purpose: 1 June 2023 and will be destroyed afterwards.

You have right to contact us via info@lorentzcenter.nl to request insight into the recording you cooperated in and/or your declaration of consent. You have right to limit the declaration of consent and/or to withdrawal. We will handle your request following the 'General Data Protection Regulation' (GDPR). You have right to file a complaint at the Data Protection Officer of Leiden University (privacy@bb.leidenuniv.nl) and/or at the Authority Personal Data.
