- Mikael Thastum, Aarhus University

Topics

- Mental Health during Covid-19
- Supporting Parents and Young People
- International Collaboration
- Patient and Public Involvement
- Future Strategies

The Lorentz Center organizes international workshops for researchers in all scientific disciplines. Its aim is to create an atmosphere that fosters collaborative work, discussions and interactions. For registration see: www.lorentzcenter.nl

This workshop is part of our collaboration with NIAS and aims to stimulate research in the humanities & social sciences.
