Magnetic Order and Chiral Molecules in Electrocatalysis

27 November - 1 December 2023, Leiden, the Netherlands

Scientific Organizers

- Emma van der Minne, University of Twente
- Chris Baeumer, University of Twente
- Kees Flipse, Eindhoven University of Technology
- Chiara Biz, MagnetoCat SL
- Michael Verhage, Eindhoven University of Technology

Topics

- Magnetic Electro catalysts
- Chiral Electro catalysts
- Theoretical Modelling
- Advanced and Operando Characterization
