A New Dawn of Dwarf Galaxy Research

8 - 12 April 2024, Leiden, the Netherlands

Scientific Organizers

- Oliver Müller, EPFL, Lausanne
- Katja Fahrion, ESA, Noordwijk
- Teymoor Saifollahi, ObAS, Strasbourg
- Maria Angela Raj, RUG, Groningen
- Noam Libeskind, AIP, Potsdam

Topics

- Models of Dwarf Galaxy Formation
- Low Surface Brightness Phenomena
- Detecting and Imaging Faint Galaxies
- Star Clusters of Dwarf Galaxies
- Cosmology with Dwarf Galaxies

The Lorentz Center organizes international workshops for researchers in all scientific disciplines. Its aim is to create an atmosphere that fosters collaborative work, discussions and interactions.

For registration see: www.lorentzcenter.nl

Wouldn't it be nice to have a short explanation here of the chosen image, and its relevance to the scientific subject.

Poster design: Supernova Studios. NL
