The Lorentz Center organizes international workshops for researchers in all scientific disciplines. Its aim is to create an atmosphere that fosters collaborative work, discussions and interactions. For registration see: www.lorentzcenter.nl

This workshop is part of the NIAS-Lorentz Program, which brings together perspectives from humanities & social sciences with natural & technological sciences.

The biographies of Saladin and Chingiz Khan represent some of the typical sources workshop participants will engage with. Images: ‘Tavarikh-i Guzida-yi Nusratnama’, British Library Or. 3222, f. 43v.
