From Discovery to a Population
Benchmarking Stripped Stars and Companions

22 - 26 July 2024, Leiden, the Netherlands

Scientific Organizers

• Jakub Klencki, European Southern Observatory
• Eva Laplace, Heidelberg Institute for Theoretical Studies
• Nathalie Degenaar, University of Amsterdam
• Ylva Göteborg, Institute of Science and Technology Austria
• Sergio Simón Díaz, Instituto de Astrofísica de Canarias

Topics

• Stellar & Binary Evolution
• Stripped Stars
• X-ray Binaries & Supernovae
• Cosmic Reionization
• Gravitational-wave Sources
